CATERING BAKERY GIFTS WORKSHOPS PARTIES MEETING ROOMS
Café and Retail Location – 105 Consumers Drive, Whitby L1N 1C4

WELCOME TO FRANTASTIC EVENTS 2018 CATERING MENU

We are pleased to present our offerings, each of which have carefully sourced ingredients and created in our peanut and tree nut-free environments.

We've tried to include a selection of items which would please most palates but cannot include everything herein, if there is something you would like, but do not see listed....Please ask!

We have geared this catering menu to a 10 person minimum order; however exceptions may be made on an availability basis...Please ask!

Orders of less than 10 persons may be subject to a “below minimum order” processing fee.

Menu selections are subject to substitution, depending on availability.

Prices included herein are subject to change.

Delivery Charges, HST and Service Charge* are not included in this Catering Menu, and will be added at the point of ordering.

*Service Charge is used towards items like insurance, office supplies, fuel, rent, and payments to admin staff, delivery driver and kitchen staff. It is operating capital, that isn't covered in the price of catering, which by the way, pays for food, the chef and the owners' salary. The service charge is what keeps a company in business. It truly is the norm for most venues and catering companies to add between 16-22% to the bottom line. I hope this helps explain things!
